SUMMARY

Recent graduate of a comprehensive full-stack development bootcamp, equipped with industry-specific skills to excel as a software developer. Proficient in a range of modern programming languages and frameworks, with a keen ability to adapt to new technologies and methodologies. Demonstrated success in collaborative environments, showing a strong commitment to team goals and project deadlines. Eager to contribute to a dynamic development team with innovative solutions and a fresh perspective.

Seeing is believing so do check out my PORTFOLIO website where you can find what projects I have made and what skills I used.

EXPERIENCE

Junior Software Developer Student

Boolean UK Sotware Development Bootcamp

📅 09/2023 - 03/2024   📍 London, United Kingdom

- A full-time 6 months coding academy focusing on a full-stack development. Learned how to turn user requirements into quality software. This included a 4-week team development project working on an existing codebase. This let us practice Scrum framework of Agile methodology with stand-ups as well as branching, merge conflicts and pull requests.
- Developed projects working through full-stack development cycle using JavaScript, React, NodeJS, SQL and Prisma as well as third party UI libraries like TailwindCSS and Chakra-UI.

Workplace Ambassador

CBRE UK

📅 09/2022 - 09/2023   📍 London, United Kingdom

CBRE Group is a global leader in commercial real estate services and investment. With a presence in over 100 countries and a workforce of 130,000 professionals, CBRE offers unparalleled market knowledge, backed by superior data and proprietary technology.

- Increased employee engagement by 15% through the implementation of new workplace initiatives and events.
- Achieved a 20% reduction in workplace absenteeism by rolling out a wellness program and flexible work arrangements.
- Coordinated workplace events for multiple office locations.
- Improved workplace sustainability by reducing paper consumption by 30%.
- Boosted workplace morale by organizing team-building activities for 10 departments.

Chief Assistant

Honest Burgers LTD

📅 11/2023 - Present   📍 London, United Kingdom

Honest Burgers LTD is a renowned British burger restaurant chain. Founded in 2011 and headquartered in London, the company has carved out a niche in the casual dining sector by offering a men`u of burgers, chips, and local fresh food.

- Improved meeting and event organization, receiving commendation for attention to detail. Oversaw 8 high-level meetings.
- Spearheaded a team of assistants, fostering a collaborative environment to streamline office operations and enhance productivity by 45%.
- Served as the primary point of contact for internal and external stakeholders, enhancing communication and team members relationships.

SKILLS

Technical Skills

HTML 5	CSS 3	JavaScript
